

Establishment of Call Center

We have established a call center regarding the inoculation against COVID-19 for the residents of Suzaka City.

If you have any questions, please feel free to call us. English-speaking staff will be answering your questions.

Now, to keep social distancing, we do **not have help desk at the Suzaka City Hall.**

※ **Inoculation ticket (coupon)** will be distributed to those who were born **BEFORE** April 2nd of 1957 from next month. The inoculation schedule for those who were born **AFTER** April 1st of 1957 will later be announced.

We would recommend you get a vaccine, but **the inoculation is optional.**

You would get a vaccine only when you would agree on getting one, after being well informed of the inoculation.
